**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a homeowner and business owner in a semi rural area I strongly support broadband competition. The costs of service remain affordable and allow me to grow my business. I can work from home as well as Office.

I chose my internet provider because they see my value, not only their bottom line. The service I received over the years is impeccable. That is peace of mind.
